APPLICATION FOR A RESTRICTED-USE PESTICIDE DEALER LICENSE

All businesses offering restricted-use pesticides for sale in Tennessee must have a valid pesticide dealer license. To obtain the license you will need to:

- 1) have at least one (1) full-time employee with Pesticide Dealer Commercial Certification, also known as Category 12. For information on testing in Tennessee, or obtaining reciprocity from another state, please call (615) 837-5148.*
- 2) enclose a fee of \$50.00. If you are renewing an existing license, and you fail to have your application postmarked by June 30, there will also be a late fee of \$25.00 due. Make your check payable to the "Tennessee Department of Agriculture."*
- 3) enclose your restricted-use pesticide sales records for the prior 12 month period if you are renewing. Sales forms are available from the Department, or you may use a computer printout. Your records must include the purchaser's name and Social Security Number, the pesticide purchased, the quantity purchased, and the purchase date.*

Please print or type. Return to the address at the bottom, attention "Pesticide Registration."
